

## Introducing MAXQDA 24

AI Assist features  
seamlessly integrated

AI Assist can simplify your work by automatically analyzing and summarizing elements of your research project using the power of OpenAI.

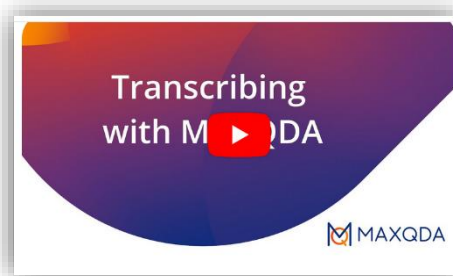

## MAXQDA Transcription - the latest MAXQDA Feature

**Say goodbye to manual transcription. Say hello to efficiency, accuracy, and convenience.**

Automatically transcribe your audio or video files in over 45 languages with MAXQDA Transcription.

Experience smooth transitions between transcription and recording within the MAXQDA Platform. Transcripts are provided with MAXQDA Timestamps to streamline your analysis.

To get you started on your transcription journey, we offer a generous **60 free minutes for MAXQDA AI Assist Users**. If you need additional minutes, they are easily purchased through the [MAXQDA Online Shop](#).
